FINALS !! are almost OVER!

Drive down Sooke Rd (HWY 14)
Stay on it when it turns into West Coast Road
Past French Beach, but before China Beach
Don’t go to the RV park, go to the area right before the bridge (you can see the bridge)
Bring your Camping and outdoors equipment.
Area is really good for Kayaking and surfing.
-Just up the road is the scenic nudist beach, Mystic Beach. So you can take in some sun the next morning.
