If you are looking for the ESS office, and don't have a clue, well here's the most useful info of your whole UVic career!

COME TO ORIENTATION!

We are located in the bottom floor of the Engineering Office Wing (You must know where that is right?) We're in room #130. Just ask around the building if you can't find us! See ya when you get here.

Please Note: On Fri. Sept, 16 we (the ESS) are throwing a Back to School Party. A ticket is included in your orientation package. This ticket includes 1 free BEvERage. If you do not come to orientation, you can still come to the party, just ask in the ESS office where to buy the \$5 admission ticket.

If you get a ticket in orientation and don't want to go, feel free to sell your ticket to a friend, or even back to the ESS. There's a limited supply of tickets so if you're not gonna go, let someone else.

**NOTE TO ALL FIRST YEARS:** There are no labs in the first week of school, so therefore you have more time for cool ESS events!

**ENGINEERS RULE THE WORLD**

COME TO ORIENTATION!

If you have ANY questions you can call the ESS at 721-8822

**ANOTHER NOTE TO ALL FIRST YEARS:** The ESS is always looking for volunteers so feel free to offer your services if you are interested. It gives you a chance to meet people, learn how UVic works, and just have some fun!
