Top 10 Ways to Annoy People In The Maclab

1. Before anyone else is in the lab, connect each computer to different screen than the one it's set up with.
2. Write a program that plays the "Smurfs" theme song and play it at the highest volume possible over & over again. 
3. Light candles in a pentagram around your terminal before starting.
4. Put a straw in your mouth and put your hands in your pockets. Type by hitting the keys with the straw. 
5. Draw a picture of a woman (or man) on a piece of paper, tape it to your monitor. Try to seduce it. Act like it hates you and then complain loudly that women (men) are worthless. 
6. Try to stick a Ninetendo cartridge into the 3 1/2 disc drive, when it doesn't work, get the supervisor. 
7. Come to the lab wearing several layers of socks. Remove shoes and place them of top of the monitor. Remove socks layer by layer and drape them around the monitor. Exclaim sudden haiku about the aesthetic beauty of cotton on plastic.
8. Attempt to eat your computer's mouse.  
9. Borrow someone else's keyboard by reaching over, saying "Excuse me, mind if I borrow this for a sec?", unplugging the keyboard & taking it.
10. Make a loud noise of hitting the same key over and over again until you see that your neighbor is noticing (You can hit the space bar so your fill isn't affected). Then look at your neighbor's keyboard. Hit his/her delete key several times, erasing an entire word. While you do this, ask: "Does *your* delete key work?" Shake your head, and resume hitting the space bar on your keyboard. Keep doing this until you've deleted about a page of your neighbor's document. Then, suddenly exclaim: "Well, whaddya know? I've been hitting the space bar this whole time. No wonder it wasn't deleting! Ha!" Print out your document and leave.

Ring the Fountain with Loonies

On November 2nd, the annual ring the fountain with loonies event is going to be held again. Because of the stupendous job the ESS did last year, we have been asked to organize the events taking place on that day. The ESS is not the only student group collecting loonies this year though, it will be UVic wide. So save up your loonies and help support a good cause. Anyone interested in helping can come down to the ESS office for more details

Watch out, Midterms are right around the corner!
