

Minutes for May 16th 2011

Peter:

- Recommends buying a notebook, cause it's awesome.
- Meeting with LilAnna bringing Austin and Liam.
- Need to start getting on exams by taking them from the exam periods

Tyler:

- Start to scan exams, maybe by sticking them into a preliminary scan box before sticking them into the cabinet.
- Talk to Mike and set up minute loading.
- Getting a name tag for Treeneequa.
- Getting mail from the ELW office?
- Check Minutes as to if Steam B voted for Tiffany to be a director?

Steph:

- Need representatives for each department to go to meetings. Steph will enlighten later. Tyler - Mech, Jeremy - 1st year, Jacob - CENG, Tom - SENG, Steph - ELEC.

Austin:

- Dates for UVEC. June 25th, July 2nd, **July 16th**, July 23rd.
- If Anyone wants to help out, talk to Austin.
- Striking Junior design from the scope since the juniors can compete in the next semester.
- Industry social for the summer. Basic with free food in ELW.

Jacob:

- Need to figure out signing authority. Jacob, Nigel and Peter.

Regarding Frosh:

- Looking to get rid of public displays of arrogance and loudness.
- Get rid of references to alcohol in any publications.

Bookkeeping:

- engr4life password for accounts on ESS web

Joel:

- Nigel to write WESST EM article for fishwrap
- Need a congress article
- fishwrap@engr.uvic.ca (Graeme?)
- PUB CRAWL ADVERTISE
- Ask flash for how many copies need to be printed for fishwrap

Nigel:

Minutes for May 16th 2011

- Theme for pub-crawl “Epic drinking time”. We need a non drinking name “Epic beverage time” etc.
- Has to be calling Engineering Evening excursion.
- The Lou is so gay pub-crawl?
- Jacob volunteers to do design work.
- Dos x’s guy, “I don’t always go on pub-crawls, but when I do...”
- Old spice guy?
- Need volunteer for a house. Steph will talk to her room-mates. Austin will talk to Taylor’s sister?
- Volunteers to get it set up. Need enforcement of ticket signing of waivers since it was not present at the last one. Especially underage. If we screw this up, we might lose the privilege of putting on pub-crawls.

Tom:

- Charity idea of traveling band. Needs to appoint a coordinator of charity.
- Wants to have a meeting to do some brainstorming session. Thursday at 7 in the ESS. May 19th.
- Keep in mind coming to the brain storming session that this charity needs to be sustainable year after year.
- Needs an updated list for companies to contact.
- Time to start thinking of an initiative to give training to new executive members.
- Project of the semester is to work out a beer partnership by buying their brand exclusively for the keggers, and supplying their beer to the pubs for the pub-crawls.

Tristan:

- Typed entire Coop report in one day.
- Soccer team is signed up and ready to go. Sign up sheet will be posted.
- Looking to continue on with drink and dodge.
- Look in to getting a plaque for the winners since we do it so much.
- Go to Salvation army and check out trophies
- Hockey night may be a little hard to implement since there isn’t a lot of ice in the summer
- Eagle ridge does rollar hockey
- Oak bay keep their ice. And they don’t care what we do.
- Instead of a playing hockey night we have a watching hockey night.
- Ball hockey torney at braefoot.
- Working with Nigel on the lawn games field day.

Graeme

- Work on locker list with help from Mike and Austin.
- Sticker system to be implemented. Put stickers on the lockers saying to register by a certain date or else the locks will be cut.
- Easy idea to sell text books would be to put a forum up on the website. PHPBB forum system.

Minutes for May 16th 2011

Mike:

- Move to a new Wiki so we can separate what we want WESST to know, us to know, and everyone to know. Possibly migrate old information using a plug-in, then edit the information. Either that or just have a cobra strike team, headed by mike to copy and paste.
- Start trying to stop reinventing the wheel and make Wiki the primary source of info.

James:

- FIX THE FUSBAL TABLE
- Promises to have the slushy machine up and running by friday.
- Talk to Nigel about ordering new parts.
- Paper and ink is ordered through staples in steam B. Chelli knows where to get super cheap stuff.
- Secure an inventory list. Mike went a bit nuts and bought a crap ton of everything, so not in a crunch to buy much.
- New coffee pot, or clean the old one. Look into cleaning up around the ECS.

Tiffany:

- Summer is pretty dead so there is not much to talk about.
- Look into getting funding from UVSS by applying for group status.
- Girl's night with guys in drag later.

DAL's

- There are many, any of the projects you have heard about tonight. Just ask the people heading them.

SWAG

- Computation paper with Victor logo put on it. Make sure the quality is a good paper.
- Ping pong balls with Victor logo on it.
- Hats, trucker style.
- Beer bottle openers. Possibly smaller than original idea from Stream B.
- Victor Stickers? Jason has them. Robb will sort that out.
- Instead of a boot, look in to getting a Stein.
- Different Bandana style? Sherbrooke style. Possible brain storming session to start what could possibly be a new tradition. Bandana could become an iconic think, that you have to do some sort of service to get. Badges?
- Black jackets are in demand.

Miscellaneous:

- Executive social? Canucks game at Jacobs house? Barbecuing wednesday 6:00 1180 Oliver (in oak bay)
