This form acts as one of the options for choosing a mutual development project; choosing an existing project idea. The form is to be a brief outline of the problem with a possible solution. Please fill in a tentative project title, a name or relevant executive position (default VP Student Life) to contact for questions, a problem statement, background of the problem/possible solution, any competencies that would be practiced, and any disciplines that would be good for this project. Send to an ESS exec (default ess@uvic.ca) for approval to posted on our website.
